To the Board of the Center for Jewish History:

We, the undersigned, are all scholars in the field of Jewish Studies. We write in unwavering support of David N. Myers, who has recently assumed the position of CEO/President of the Center for Jewish History in New York City. A small group of self-appointed vigilantes has mounted a scurrilous campaign demanding Myers' ouster, claiming without any basis, that he holds anti-Israel views. These detractors are engaging in the worst kind of McCarthyism.

David Myers is a distinguished historian of Jewish civilization, with a stellar reputation of academic leadership in North America, Israel, and throughout the world. Even his detractors do not once challenge his academic credentials. With a proven track record of dynamic leadership, institution building, and community outreach, he is the ideal person to direct the Center for Jewish History. Calls for his ouster based on ad hominem charges on purely political grounds must be rejected.
